

Lives We've Changed

A message from a few of many women who are thankful for your support

Paris Arthur, Scholarship Recipient

"My first clients were ages 4, 9, 10 and 14. One child was abused, one was traumatized by a suicidal parent, one was bullied at school, one struggled with anxiety. Thank you so much for funding my Masters in Biblical Counseling from Dallas Theological Seminary. You gave me my dream to serve as a children's biblical counselor."

Trisha Roy, Conference Ambassador

"Thank you for your support of a citywide conference where I was able to bring over 100 women to be inspired to find their purpose. Over 3200 women registered for the 2019 Inspire Women conference and it was like heaven on earth to be with women from all ethnicities who were seeking to know God's will and serve Him. I was also so grateful for the translation for our Spanish speaking sisters and the live streaming for those who could not be there but wanted to be part of a united sisterhood under Christ."

Our Core Distinctives

Inspire Women is a 501(c)3 organization that exists to train women of all ethnicities to serve at their God-given potential.

TO INSPIRE We reach over 150,000 each year through radio and citywide conferences to inspire thousands of lives through teaching from God’s Word

TO SUSTAIN One-third of ministry leaders abandon their calling. We sustain over 1000 pastor wives, ministry, nonprofit, business and community leaders to keep serving, through Inspire Women’s Leadership Academy and our monthly year-round gatherings to spiritually replenish those who serve.

TO INVEST We invest in scholarships and ministry grants for specialized training and degree programs in accredited Bible College and seminary. 60 percent of our scholarship recipients come from backgrounds of abuse, 40 percent are ministry leaders whose churches don’t have the budget for education. To date, Inspire Women has awarded over \$3M in scholarships and ministry grants.
